DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This farmhouse is a two story, four bay structure resting in common bond at all elevations. Windows have wide wood lintels above six over six pane sashes. The main entrance has been altered and perhaps moved. One window in one of the central bays appears to have been a door. These alterations have occurred recently. A course of decorative brickwork finishes the eaves. A frame bank barn is also present.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This house apparently had two central front doors originally. It is typical of mid 19th century construction in Washington County and shows probable Germanic influence.
